CANNAS

Burbank—Giant orchid flowers of rich, sulphur yellow, inner petals dotted with rich red, an excellent variety, blooms early and continuously. Foliage green and very compact. Height four and one-half feet.

Buttercup—Flowers pure buttercup yellow with fine dots of bright red on lower petals; this is one of the oldest and best of the standards; always in bloom. Foliage green. Height four feet.

Chas. Henderson—Flowers brilliant crimson scarlet with yellow flame in throat; one of the best for bedding, a profuse bloomer; the great trusses of blooms always command admiration. Foliage green, dwarf and compact. Height three and one-half feet.

David Harum—Bronze foliage; flowers scarlet, dotted crimson. 3 to 3½ feet.

Duke of Marlborough—Deep crimson maroon. 4 feet.

Egandale—Flower deep currant red of a peculiar and pleasing shade; it is an early and constant bloomer, one of the best bedders grown. Foliage rich bronze red. Height three and one-half feet.

Florence Vaughan—Yellow, with bright red spots. 4½ feet.

Florida—Flower large, and orange scarlet in color, streaked and flamed with crimson and yellow; a good grower and profuse bloomer. Height four feet.

Gladiator—Big round flowers with bright yellow petals thickly spotted with crimson; smaller center petals of crimson, green leaves.

Grand Rogue—Handsome, crinkly leaves of darkest bronze, flowers red. 6 to 8 feet.

Italia—Orchid flowering type; great, crinkly petals of clear yellow, irregularly overlaid with varied shades of orange scarlet. 5 feet.

King Humbert—Nothing to equal it for "blazy" effects in bedding. Easily ahead of all bronze-leaved Cannas, both in foliage and flower. Color, fine orange-scarlet, flaked carmine. The demand for this Canna has gone far ahead of that for any other Canna introduced in late years, and it will be planted in large blocks the coming season. Grows 4 to 4½ feet high, and makes fine large clumps.

Louisiana—A bright crimson scarlet of the Orchid-flowered type; grows 5 to 6 feet high with immense spikes of bloom. Individual flower 5 inches across with correspondingly broad petals. Very showy in beds or as a center for more dwarf varieties.

Madame Crozy—Flowers brilliant vermilion scarlet with narrow gilt edge, a very popular variety. Foliage bright green. Height two and one-half feet.

Martha Washington—Dwarf. 3 feet. A handsome broad flowered rosy pink.

Mlle. Berat—Deep rose-pink. 4 feet.

Mont Blanc—The only genuine, pure white Canna; good heads of wide, heavy bloom. 3 feet.

Mrs. Kate Gray—One of the finest orchid-flowered sorts; full heads of soft orange, shaded carmine and with dotted yellow throat. 6 feet.

Paul Marquant—Flowers salmon red, a very unique color; the blossoms are large and borne in great clusters; it is a good variety for bedding. Foliage green. Height three and one-half feet.

Pennsylvania—Large orchid flowered; scarlet, overlaid with orange. 5 to 6 feet.

Queen Charlotte—Dwarf, scarlet, gilt-edge. 2½ feet.

Rose Mawr—Bright rosy pink, mottled with rose, shaded golden yellow at throat. 3 feet.

Shenandoah—Flowers beautiful rosy pink, borne in large clusters. The foliage is very beautiful, being rich ruby red, exquisitely veined and tinted, resembling some rich tropical plant.

Venus—Warm rosy pink with irregularly mottled border of creamy yellow, green foliage.

Mt. Aetna—Leaves of rich bronze, large crimson flowers. 3 feet.
